

Powernet Internet Service Agreement

This is an agreement (“Agreement”) for Internet Service and related services and/or features (“Services”) between you and PNG Telecommunications, Inc. d/b/a Powernet (“Powernet”). This Agreement and any Service Orders explain the terms and conditions upon which we agree to provide you Service and products and you agree to accept these terms and conditions with the Service and products. If there is any conflict between this Agreement and a Service Order, this Agreement shall control. Services offered by Powernet to Customer for purchase are described in this Agreement and the Service Orders executed by both parties. The Services may consist of services provided directly by Powernet and also of services procured by Powernet from third party suppliers. The words “we”, “us”, “our” or “Powernet” refers to Powernet. The words “you”, “your”, or “Customer” refers to the person who is completing this Agreement. You represent that you have been authorized to accept this Agreement on behalf of your Company. We reserve the right to change these terms and conditions from time to time. Posting of the updated Service Agreement will constitute notice to you of any such changes. Changes will be effective upon posting. You remain responsible for regularly reviewing these terms and conditions. Your continued use of the Services after the date of such changes constitutes your acceptance of and agreement to such changes.

1. Description.

Powernet’s Internet Service consists of: (i) a wireless, high-speed network connection between Customer’s premises and Powernet’s domestic Internet protocol network; and (ii) routing services, based upon the Transmission Control Internet Protocol, which will afford Customer Internet connectivity. This service may be provided by a third party provider.

2. Term.

The initial term is dependant on the package selected on the Service Orders. The initial term for the Services chosen by Customer shall commence on the date that Powernet makes the Services available (“Effective Date”). Customer’s obligation to pay for all Services shall commence on the Effective Date. Upon the expiration of any initial or subsequent term, the term will automatically renew for succeeding terms of one month at Powernet’s then current rates unless a party provides thirty (30) days written notice of termination. Each Service Order placed under this Agreement shall have its own terms and this Agreement shall continue to govern the parties’ duties and rights with respect to such Service Orders until the expiration of its term or any succeeding term or unless the Service Order is terminated as permitted by this Agreement. You are purchasing the Service for the full term, meaning that if you attempt to disconnect Service prior to the end of the applicable term or Powernet terminates your Service due to your breach of this Agreement or any Service Order, you will be responsible for all charges relating to the then-current term, including unbilled charges, all installation costs, a disconnection fee, if applicable, and the monthly charges for all of the remaining months in the term, all of which will immediately become due and payable. If you cancel your service prior to the Effective Date, you will be responsible to pay a cancellation recovery fee, all installation costs and any disconnection fee, if applicable.

3. Ordering Service.

- a. Service Schedules and Service Orders. All Services shall be ordered on Powernet’s standard Service Order forms in effect at the time of ordering. By submitting any Service Order, Customer represents and warrants that the information provided by Customer on the Service Order forms is complete, true, and accurate to the best of Customer’s knowledge and that the Service Order form contains no misleading statements or omissions. Powernet may accept or reject any Service Order submitted by Customer in its sole discretion.
- b. Customer Changes to Service Orders. Any terms or conditions contained in a Service Order submitted by Customer that conflict with the terms and conditions in this Agreement are hereby objected to by Powernet and shall not constitute part of the agreement unless explicitly accepted by Powernet in writing. No action by Powernet (including, without limitation, provision of Services to Customer pursuant to such Service Order) shall be construed as binding or estopping Powernet with respect to such terms or conditions.

4. Charges and Rates.

- a. Charges for Service. All charges and fees are stated on your Service Order. The monthly charges for service do not include taxes or surcharges for governmental fees. Customer will be responsible for all applicable taxes and surcharges that arise in any jurisdiction.
- b. Billing Period. Powernet will bill Customer for Monthly Recurring Charges in advance and for charges for installation and other non-recurring charges that Customer shall pay in advance of any Service being provisioned by Powernet. On the first billing for Monthly Recurring Charges, Powernet will prorate the billing from the Effective Date in addition to one month in advance.
- c. Billing. For each billing period, Powernet will send to Customer via email a notice that Powernet has prepared Customer’s invoice and that Customer may log on to Powernet’s web based Customer Portal at <https://portal.pngcom.com> to view the invoice.
- d. Payment. All invoices are due and payable in U.S. dollars within twenty (20) days of the date on which Powernet sends the email notifying Customer that Customer’s invoice is available (the “Due Date”). Customer’s payment must be received on or before the Due Date in order for it not to be considered late. Restrictive endorsements or statements on checks accepted by Powernet will not be binding upon Powernet. Customer shall pay a “Returned Check Fee” of thirty dollars (\$30.00) for any check returned for insufficient funds. If payment in full of undisputed amounts is not received on or before the Due Date, Customer will be considered to have breached this Agreement and Powernet shall have the right, after three (3) business days notice, to suspend or terminate Service and/or in Powernet’s sole discretion, draw upon any security held by Powernet.
- e. Late Payment. If Customer fails to remit payment in full by the Due Date, Powernet, in addition to other remedies available to it under this Agreement or at law, may charge Customer a late fee of the lesser of 1.5% per month or the maximum fee allowed by law of the unpaid balance which shall accrue from the Due Date of the invoice.
- f. Service Appointment Charges. You shall be liable for payment of charges reasonably incurred by Powernet for a service appointment if the reason for the service appointment is not due to Powernet Service or Equipment. You shall also be liable for payment of charges reasonably incurred by Powernet including but not limited to: (i) charges due to your request to expedite Service availability to a date earlier than the date in a Service Order; (ii) charges due to your request to change an installation date to a date other than in a Service Order; (iii) changes to a Service Order after Powernet acceptance; (iv) expense incurred for Service redesign or modification; (v) reinstallation charges following any suspension of Service by Powernet; and (vi) disconnection charges.

5. Credit and Assurance of Payment.

Maintenance of acceptable credit and adequate assurance of payment, both as determined by Powernet in its discretion, are conditions for the commencement and continuation of provision of the Services by Powernet. By signing this Agreement, you permit Powernet to complete a credit check on you before the commencement of Services and during the term of this Agreement. If at any time Powernet, in its sole discretion, believes that Customer presents an undue risk of nonpayment, then Powernet may require a form of security for payment. Failure of Customer to provide a form of security requested by Powernet within two (2) business days of

Powernet's request shall be a material breach of Customer's obligations under this Agreement and shall entitle Powernet to all remedies Powernet would have for nonpayment of an undisputed amount due.

6. Customer Warranties.

- a. Acceptable Use Policy. Customer shall use the Services for lawful purposes and to conduct business. Customer is responsible for adhering to Powernet's Acceptable Use Policy ("AUP") while using the Service, the terms of which are made available for viewing over the Internet at www.powernetco.com and are incorporated by reference herein. Customer shall assure that its employees, agents, contractors, licensors, customers and suppliers also abide by Powernet's AUP. Customer agrees to defend, indemnify and hold harmless Powernet, its affiliates, and contractors from any and all liabilities, costs and expense, including reasonable attorneys' fees, arising from or related to use of the Service by Customer or Customer's Users. Any violation of the AUP or conduct that Powernet, in its reasonable discretion, believes may subject Powernet to civil or criminal litigation or liability, charges and/or damages will be considered to be a breach of this Agreement and for which Powernet may suspend service as outlined in this Agreement. If Powernet suspends the Service pursuant to this Section, Powernet may require a reinstatement fee in order to resume Service.
- b. Customer Provided Equipment. Powernet is not responsible for the installation, operation, maintenance, compatibility or performance of any third party service, software or hardware. If such third party hardware or software impairs operation of the Service, Customer remains liable for payment of all charges for the Service. Powernet shall not be held responsible or liable for any defects or failure in Customer's Service, computer, software, files, data, and peripherals or any other equipment or connectivity arising from or caused by any equipment or service which is not a part of Powernet's network.
- c. Powernet Provided WiMAX Network Service. Customer may be required to purchase additional equipment to meet Customer's request or specifications. In order to provide the Services, Powernet must have access to your building to complete a site survey and to install equipment. Powernet has the right to reject any Customer location based on the findings from the site survey. Customer is responsible for acquiring any necessary permission for equipment installation and shall provide access to Powernet for installation.
- d. Security Measures. Customer shall be solely responsible for establishing and maintaining adequate security measures including but not limited to maintaining codes, passwords, encryption or other features necessary to restrict access to Customer's computers, network, servers, or other equipment used by the Services.
- e. Breach of Customer Warranties. Any breach of any of Customer's warranties pursuant to this Section 6 of this Agreement will constitute a material breach of this Agreement and Powernet may suspend or terminate the Service immediately and without notice. If Customer breaches any of its warranties, Customer will be solely liable for and will indemnify, defend and hold Powernet and its respective officers, directors, employees, contractors and agent harmless from all claims, demands, costs, damages, losses, liabilities and expenses of any nature arising from such breach, including indirect, special, incidental, consequential, punitive or reliance damages and any costs including attorneys' fees associated with enforcing any of these provisions.

7. Relocation of Service.

If Customer requests to relocate the Service to a new location, then Customer will request such move in writing at least six (6) weeks in advance of the change over date. If such new location is within Powernet's service area, then Customer and Powernet agree to enter into a new contract for the new location of length no less than the original Service Period. Such new contract may include additional or different installation, recurring and other charges and fees, and in addition to the foregoing, Powernet may assess, and Customer will promptly pay, a relocation fee for each time Customer changes Service location. If such new location is not within Powernet's service area or Service ceases at the prior location and a new agreement for the new location is not executed by the parties, then the Agreement will be deemed terminated by Customer and Early Termination Charges will apply.

8. Limitation of Liability; Disclaimer of Warranties.

IN THE EVENT OF ANY BREACH OF THIS AGREEMENT OR ANY FAILURE OF THE SERVICES WHATSOEVER, NEITHER POWERNET NOR ANY OF POWERNET'S SUPPLIERS SHALL BE LIABLE TO CUSTOMER OR TO ANY THIRD PARTY FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, SPECIAL, ACTUAL, INCIDENTAL, PUNITIVE OR ANY OTHER DAMAGES, OR FOR ANY LOST PROFITS OF ANY KIND OR NATURE WHATSOEVER, EVEN IF POWERNET OR THE SUPPLIER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. ANY MATERIAL AND/OR DATA DOWNLOADED OR OTHERWISE OBTAINED THROUGH THE USE OF THE SERVICE IS DONE AT CUSTOMER'S OWN DISCRETION AND RISK AND THAT IT WILL BE SOLELY RESPONSIBLE FOR ANY DAMAGE TO COMPUTER SYSTEMS OR LOSS OF DATA THAT RESULTS FROM THE DOWNLOAD OF SUCH MATERIAL AND/OR DATA. POWERNET MAKES NO WARRANTY REGARDING ANY GOODS OR SERVICES PURCHASED OR OBTAINED THROUGH THE SERVICE OR ANY TRANSACTIONS ENTERED INTO THROUGH THE SERVICE. NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY CUSTOMER FROM POWERNET OR THROUGH THE SERVICE SHALL CREATE ANY WARRANTY NOT EXPRESSLY MADE HEREIN.

9. Indemnification.

Customer will defend, indemnify and hold harmless Powernet and its respective officers, directors, employees, contractors and agents against and from any loss, debt, liability, damage, obligation, claim, demand, judgment or settlement including without limitation, attorneys' fees and all reasonable costs and expenses of litigation arising out of, resulting from, or based upon, any complaint, claim, action, proceeding or suit to the extent that such claim is from or in any way connected with any claims from Customer's use of the Services or Equipment including any unauthorized or illegal provision or use, any infringement by Customer or someone else using the Service with Customer's computer of any intellectual property or other proprietary right of any person or entity or from the violation of Powernet's AUP.
